

EMERGENCY PHONE CALL AUTHORIZATION FORM (FORM E-1)
HANOVER CHURCH PRESCHOOL

We will be using a "Remind App" to contact each of you through your cell phone when we must reach everyone quickly, such as unanticipated school closings. Even though snow closings follow the South Side schedule, the App will be used to confirm that school is closed. Also, if the teacher has a special project planned, a special guest speaker is visiting, or needs to provide timely notifications regarding an issue, the App may be used.

To set this up, complete the information below and send it to school by the **2nd Monday of September**. The Teacher will provide directions for setting up the App.
